Technical Parameters:

Model	92133
Size	80*80*19mm
Voltage	DC1.2V
Power	0.03 W
LED Type	2835
LED Qty (pcs)	24
CCT	3000K/4000K/6000K+Blue
Luminous Flux	10 lm±5%
CRI	>80
Battery Type	AAA Battery
Battery Capacity	1.2V / 800mAh
Charging Mode	Solar charging
Charging Time	4-5 H
Working Time	>20H
Body Material	PC
Storage Environment	-25°C~+45°C

Product Dimension
